MESSAGE FROM CHAIRMAN

*We have opened
a wide window
towards the
Noble Profession
of the world.....*

It is my great pleasure to write the message for Rangpur Dental College and for Rangpur Community Medical College as a chairman of both institute.

I feel immensely proud for the rapid development of both institutes within the shortest period of time. For this development first of all I would like to express my gratitude to The Almighty Allah for his continuous benevolence on us. Then I would like to give respect & gratitude to the all members of Governing Body, Managing Director, Deputy Managing Director, all board members, Principals & Teachers of both institute and all the official staffs of our whole organization for their physical & mental effort to place these institute in the Hall of Fame. I also thank my former and present students who are playing the vital role for sparking the name of our institutes by their brilliant and outstanding results.

My dear prospective students, you are cordially welcome to Rangpur Dental College or Rangpur Community Medical College to build your dream career. We have opened a wide window towards the noble profession of the world and waiting to welcome all of you at the door for the admission.

Mrs. Nilu Ahasan
Chairman
Rangpur Dental College
&
Rangpur Community Medical College

MESSAGE FROM THE PRINCIPAL
RANGPUR COMMUNITY MEDICAL COLLEGE

I feel immense pleasure in transforming my dream of establishing a world class Private Medical College in reality. My vision is to make it a center of excellence for Health Education where students from any country become MBBS doctor in true sense. Health Education is need of the time. Now everyone is much concern about their own health. But doctor-patient ratio is still far from adequate in this country of 150 million people. Our aim is to produce MBBS physicians dedicated for the service of the society so that the health education may become more practical & with human values. At the college, care will be taken at the highest level to ensure that students are provided with all necessary amenities and encouraging learning environment which is essential for their healthy & steady growth. As a principal of the college, I shall make my best efforts to evolve this college into the one that will set a benchmark for itself and also enrich the quality of Health Sciences in this country.

I'm confident that the team of faculty & staffs of this Medical College and the budding students will work with absolute dedication to fulfill these expectations and in converting my vision into reality.

At last I pray to Almighty Allah may give us patience & strength to raise this institute to one of the best in this country as well as in the world.

Prof. Dr. Afruza Bulbul Akhtar
MBBS, M.Phil (Anatomy)
Principal &
Head of the Department, Anatomy
Rangpur Community Medical College

**MESSAGE FROM THE PRINCIPAL
RANGPUR DENTAL COLLEGE**

It is my privilege to introduce this prospectus of Rangpur Dental College. Established in 2001, Rangpur Dental College has distinguished reputation for teaching and results. With several years' experience of academic excellence, this is one of the Bangladesh's most popular Dental College. The college is already establishing a significant reputation for delivering inspiring and rigorous Dental & Medical education. We have academic strength to create innovative and forward thinking Dental Surgeons so they could prosper in global scale. This is an ambitious college & directors of this colleges are constantly developing this campus to enhance your learning environment.

The experienced curriculum team, innovative learning styles and a solid grounding in the Dental Sciences with regular clinical experience make you faster in gathering knowledge.

We believe that it is important for you to meet patients from the very outset of the course; after all, that is what Dentistry is all about. I hope that you will join us & work together to realize this vision for the future of this college. I look forward to welcoming you.

Prof. Dr. Md. Abdur Rashid
BDS (Dhaka), DDPH-RCS (England)
Principal & Head of department of Pediatric Dentistry
Rangpur Dental College

Rangpur Dental College

In Brief

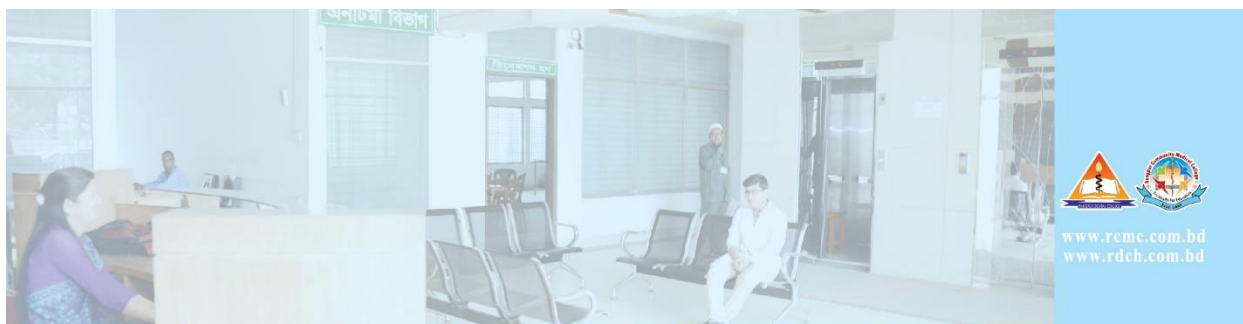

Rangpur Dental College is the First private Dental College offering quality & affordable Dental Care in North Bengal, Bangladesh. The 10 storied Dental College has excellent infrastructure with total space of 57,453 Sq. Ft. & largest of its kind in Bangladesh. It is well equipped with dental chairs, modern library, adequate internet facilities, modern clinical departments and pre-clinical laboratories. Rooms for the head of all the departments with requisite are present. The College offers 5 years Bachelor of Dental Surgery (BDS) course with 1 additional year Compulsory Internship Training Program.

Rangpur Community Medical College

In Brief

Rangpur Community Medical College had started MBBS course for two years in an old two storied teaching building at its own premises with all facilities those are required initially with the goal to make its own landmark in Rangpur. At the same time, the construction department has started the construction of a 14 storied state of art academic building to accommodate further space requirements which was completed at the end of the year 2010. This multi-storied building having total 1,25,000 Sq. Ft floor space houses most facilities for medical education.

Our main college campus are situated in the heart of Rangpur City surrounded by serene greenery and major city infrastructures and facilities at Medical East Gate, Gangachara Road, Dhap, Rangpur, Bangladesh. This is an ideal eco-friendly location suitable for a peaceful and studious environment. Students can derive utmost benefit from their studies & patients can get quality health care.

Our institution consist of 8 storied Dental College, 14 storied Medical College, 8 storied 3 merged building as world class hospital and 19 storied cardiac center (Under construction) houses modern, attractive, state of art lecture galleries, dissection halls , laboratories, duplex libraries and many more. All constructed buildings & under construction buildings are on its own land. It has wide open areas in front of the buildings for parking and holding cultural programs and sports. Along with educational departments, our colleges also contain impressive museums for Anatomy, Pathology, Forensic & Community Medicine, technology driven labs along with outpatient clinics for didactic training and procedure for dentistry & general health care.

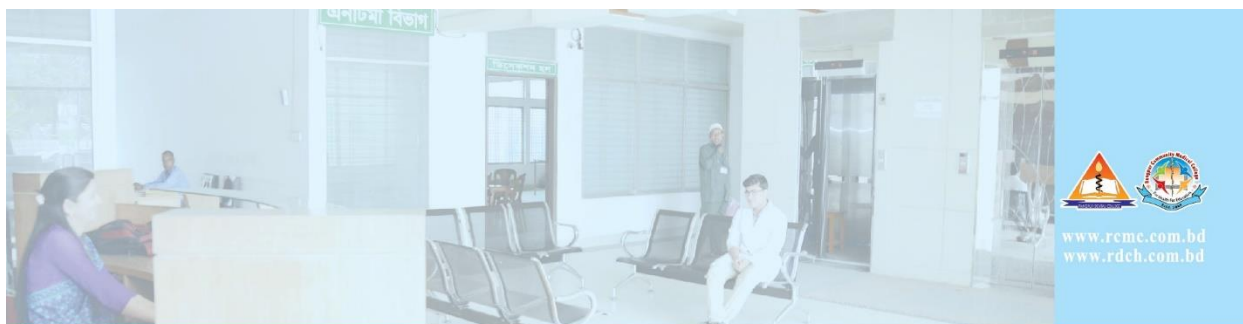

AFFILIATION & RECOGNITION

Rangpur Community Medical College and Rangpur Dental College are permitted by Ministry of Health & Family Welfare (MOHFW), Government of People's Republic of Bangladesh, are Recognized by Bangladesh Medical and Dental Council (BM & DC) and our courses are Affiliated by University of Rajshahi. Our colleges are also Recognized by Medical Council of India (MCI), Nepal Medical Council (NMC), Bhutan Medical & Health Council (BM & HC), Maldivian Medical & Dental Council (MM & DC).

These affiliation & recognition provides our graduates full eligibility to take their education to the next level by completing further education and appearing professional examination on the international scales. We can proudly say that our recognition process for Sri-Lanka Medical Council & Enlisting in **World Directory of Medical School (WDMS)** is in its Final Phase. Completion of enlisting in WHO recognized WDMS will leverage our graduates to appear in Any Medical Licensure Examination in the world.

At RCMC/RDC, we offer an international standard of education to help students prepare for future and to ensure that they obtain all the credentials required to achieve their career goals regardless the geographic location. We are proud to have **our 50% student from SAARC country**. And proud to have many of our students go on to post-graduate degree education and are now working in various hospitals and dental clinic in Government and Private sector nationally & internationally.

ACADEMIC TEAM & RESOURCES

The teaching staff at RCMC/RDC is comprised of renowned Doctors, Surgeons, Dentists and Professors who offer in-depth level of education to prepare students for successful careers across the spectrum of healthcare. The students in RCMC/RDC are groomed by experienced, knowledgeable, young and dedicated team of professionals who are very competent and well-qualified, to be adapted in knowledge and practical skills and also to develop the basic virtues, disciplines and services. The young mind are encouraged to be deliberate and inquisitive.

The college and hospital is in constant pursuit of best health care for the public following the highest ethical standards.

Description	Floor Space SFT
Total space of academic building of Rangpur Dental College	70,000
Total space of academic building of Rangpur Community Medical College	1,00,000
Total space of 750 Bedded Hospital	2,11,600
Grand Total Floor Space	3,81,600

GOALS & Objectives

Rangpur Dental College & Rangpur Community Medical College are committed in its pursuit of excellence to provide the best academic facilities and atmosphere for our students. Our mission is to train future health care leaders who set new standards in knowledge, caring and compassion.

WHY RCMC/RDC ?

The reason behind our wonderful success within short span is possible only because we strive and achieve the target of being excellent and giving the best to our student as promised. We can proudly say that **125 seats for MBBS** and **100 seats for BDS** gets filled up before a month of orientation which comes mostly on recommendation from our students and guardians.

Rangpur Dental College & Rangpur Community Medical College are proud to have students not only nationally but also internationally. Our **50%** of total students are **foreign students** pursuing MBBS & BDS course in respective colleges. We currently have 344 international students enrolled in MBBS and BDS course from INDIA, NEPAL, MALDIVES & BHUTAN.

We are Maldivian.

Relief work Organized by Nepali Students for Earthquake- 2015 Victims of Nepal

Beside all, we have

- ▶ Best Faculty Members
- ▶ International Learning Environment
- ▶ Surplus Resource Materials & Adequate Laboratories
- ▶ Duplex Library & Internet Facilities in Colleges & Hostels
- ▶ Own World Class General Hospital
- ▶ Best Security System in place
- ▶ Affordable Price
- ▶ Well-furnished Accommodation
- ▶ Personal & Professional guidance before/during and after the Course

BACHELOR OF DENTAL SURGERY

Rangpur Dental College offers 5 years BDS course and 1 year internship training in its own college hospital as required by Bangladesh Medical & Dental Council leading to BDS degree of University of Rajshahi. The academic session shall be from February each year or as suggested by the Government of Bangladesh.

Course Details :

Course Duration : 5 years Academic BDS with 1 year Internship Training.
Start Date : February each year or according to Government Order.
Examination : 1st week of February & 1st week of August each year.
Internship Training : 1 Year (After completion of all Professional Examination).

INTERNSHIP TRAINING PROGRAM

All student passing the final professional MBBS or BDS examination shall be required to undergo 1 year compulsory internship training program as prescribed by BM & DC. The training is mainly designed to develop necessary skills and attitudes to deal with common health problems generally encountered in hospitals and in community. This is structured and strictly supervised by department Professors/Doctors. The trainee will be entitled to appropriate subsistence allowance/honorarium. The internship training is compulsory and pre-requisite for obtaining Registration from Bangladesh Medical & Dental Council (BM & DC) for medical practice.

COURSE EVALUATION

IN-COURSE EVALUATION

Students are expected to maintain consistently high standard in academic performance, attendance & personal behavior. The In-course Evaluation will be made through regular Item examination, Periodic Class Tests, Homework/Assignments, Card Final & Term Final examinations conducted by individual departments. The Term Final Examination shall include written (combination of MCQs & SAQs), Orals, Practical/Clinical including OSPE and OSCEs. The results shall be recorded in student's Progress Report/Log Book and 10% of marks of each subject in the university Professional Examination shall come from scores obtained in In-Course formative evaluations.

We are the Nepali students of
16th batch in Rangpur Dental College

www.rcmc.com.bd
www.rdch.com.bd

PROFESSIONAL EXAMINATION

No students shall be allowed to appear for Professional MBBS or BDS Examination of the University unless he/she attend a minimum of **75% of total classes** held and secure at least **60% marks in term final** examinations and demonstrate satisfactory attitude, behavior and conducts. The professional examination for BDS will be held on the 1st week of February & 1st week of August each year and will be held on 1st week of May & 1st week of November for MBBS course or will be declared by University.

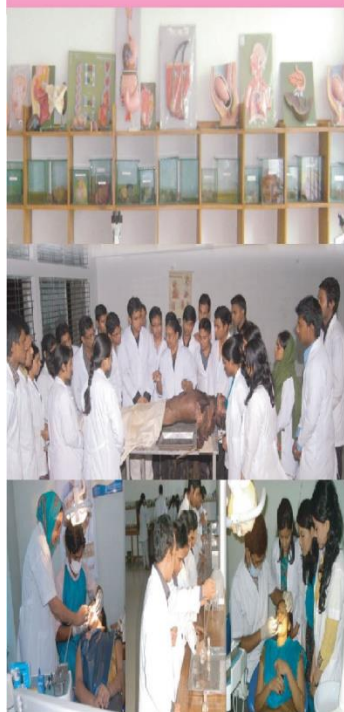

Considering comparatively better results, own college campus, adequate infrastructure and peaceful academic atmosphere, University of Rajshahi has permitted Rangpur Community Medical College & Rangpur Dental College as examination center for all the professional BDS and MBBS examination.

FACILITIES

LABS/ MUSEUM

We have well-furnished Bio-chemistry, Dental Chemistry, Anatomy with Histology, Pharmacology, Pathology & Microbiology, Conservative Dental and Dental Radiology, Dental Prosthetics, Orthodontics, Oral Surgery, Anesthesiology lab & Physiology Labs with all the required chemicals and facilities for practical work.

There are 5 dissection table in the dissection room in both college for dissecting purpose. Moreover, a well arrangement exists for the maintenance of dead body and viscera. A full time taxidermist is engaged for the purpose of supervision and maintenance of dead body under the curator.

LECTURE GALLERY

There are 10 fully furnished lecture galleries with all modern audio visual facilities & adequate furniture for comfortable learning. Each Lecture Galleries are constructed in such a detailed manner that each student pay optimum attention to the lecture. Each lecture galleries are equipped with teaching aids including multimedia projectors, overhead projectors, slide projectors, audio-video facilities, white board & marker, projection screen, lecture dias etc.

LIBRARY

Library Opening Hours

8:00 am -9:00 pm
Remains Closed

Saturday-Thursday
Friday & National Holidays

Our libraries have cool & silent atmosphere just perfect for study and research purposes. The spacious halls with well-furnished comfortable seating arrangements are located in the Academic Buildings in 5th & 6th floor for RCMC and 1st floor for RDC. The library is enriched with adequate collections of common textbooks, reference books, important journals in various subject which can provide up to date information to the students and the teachers. Cataloguing System is in practice. In addition, IT lab with internet facilities are provided to help online research for students. More than 100 students can use the library at a time.

We are also proud to be part of Top online medical resource portal HINARI for its easily accessible online tutorials, Top Medical online Journals and many other resources.

Girl's Hostel for Foreign Student

Boy's Hostel for Foreign Student

HOSPITAL / WARD

RCMC and RDC operates with its own 750 bedded general hospital "Rangpur Community Medical College & Hospital". Our hospital facilitates RCMC & RDC student in following departments.

MESSAGE OF FOREIGN STUDENT

Akash Das
MBBS, 9th Batch, West Bengal, India

I always dreamt to be a doctor for the sake of poor & wretched people. Now, it's going to be fulfilled in RCMC, the best One. My teachers are more than a teacher but a family, our friend, philosopher & guide. The accommodation provided to us is very modern & secured. I know that medical science is very tough but with the group of legend professors & experienced lecturers made it easier to learn and my clouds of dream comes raining my success of being Doctor in RCMC. I owe to RCMC & it will remain alive in my mind till my last sense. I'm very proud to be a student of RCMC.

Sagapam Nirupama Devi
MBBS, 6th Batch, Manipur India

It's an honor and privilege to be a part of this institute, RCMC. After 3 unforgettable years of studying here, I can confidently say that this privilege is truly deserved. As the first batch from India, it was difficult at first to be with people and environment I never knew. But eventually everything went smoothly as it turns out to be a friendly environment.

We have excellent course curriculum and faculty, renowned principal and a beautiful campus. We have access to fantastic facilities, all within walking distance and a very strict hostel. Fortunately, our college has a very strict marking scheme. Teachers here molded us very well and are always there to clarify our doubts. I am glad to be here and I enjoy the environment I am in.

Sheikh Najia Rokshana
MBBS, 8th Batch, Assam India

I, Sheikh Najia Rokshana, 2nd year MBBS student of Rangpur Community Medical College. This one year in RCMC made me feel blessed to be the student of this renowned college in Bangladesh. Our teachers are highly qualified & extremely co-operative. Our Principal Prof. Dr. Afruza Bulbul Akhtar is one of the best Anatomist in Bangladesh and it's our privilege to be her student and take classes with her. I never felt like outsider due to the friendly environment. Authority of the college is very concerned regarding our security and I feel very secure in hostel and college. I'm happy that I took right decision by choosing RCMC to fulfill my dream of being a good doctor.

Avishek Yadav
BDS, 15th batch, Siraha, Nepal

With a dream of being doctor I became a part of Rangpur dental college. For a foreigner like me it was never easy to feel homely in this place. But I am grateful to the wonderful group of people who are responsible for my comfortable stay, amazing academic team and for all the love and support. Rangpur Dental College is the home of discipline, excellence, hard work and Respect.

MESSAGE OF FOREIGN STUDENT

Aminath Najdha
MBBS, 5th Batch, Maldives

RCMC has provided us a deeply transformative experience- intellectually, socially and personally. It is an amazing place to live in. Hostels aren't just a place for accommodation. They're actually homes that fosters a community of togetherness and trust. One of my favorite things about this place is the support we receive from the management especially our DMD sir. And how willing and enthusiastic our professors are when it comes to help us. They all made us realize we are not just another brick in the wall.

Eloquently stated and simply put, RCMC has helped me to burn the candle to brighten my future and achieve my dreams. It transformed my life. It can transform yours too.

Suraj Sharma
Janakpur, Nepal, 6th Batch, RCMC.

I knew nothing about RCMC when I applied. I was given a couple of links to some of the websites of the old colleges, but for some reason didn't feel at home with what I read and saw. Instead I applied to RCMC and I know that was the best decision I could have made. What I found appealing about this college was the idea of belonging to an academic community of experienced and highly qualified teachers with homely college and hostel environment.

Ashmita Bhattarai
Jhapa, Nepal, 7th batch, RCMC

I, Ashmita Bhattarai find myself extremely lucky for choosing this college for my Medical Career. As a foreign Student in Bangladesh, I had expected to face many difficulties while studying here but this college has given such a friendly environment that makes me feel that I'm in my own country. Besides this, group of legend professors, lecturers and understanding teachers makes this college, one of the best for medical study. Along with these, well equipped labs & library are additional facilities that are extremely helpful enhancing our knowledge. I feel proud & happy to be an RCMCian.

Nikita Pradhan
BDS, 17th Batch, Thimphu, Bhutan

I came to Rangpur Dental College as a young girl with a dream to become a dentist as any other student here and I am happy to have made this decision. This college has given me all the facilities and reasons to feel at home and I am grateful for a wonderful set of highly qualified lecturers. I am looking forward to a wonderful five years in this wonderful college.

MESSAGE OF FOREIGN STUDENT

Sushmita Jannat
BDS, 17th Batch, Assam India

I'm Sushmita Jannat, 1st year student of RDC feels great to be the part of this glorious institute in Bangladesh. This is well reputed college & teachers are highly experienced and friendly to all of us. The accommodation provided by the college is very good and somehow I feel here as my home in India. RDC produces many good doctors & I wish to be one of them in upcoming years.

Ashutosh Mahata
BDS, 14th Batch, Kanchanpur, Nepal

Rangpur Dental College could be a GOLDEN GOOSE for a student. A student can broaden his/her knowledge in medical science wisely. All the professors, lecturers and teachers of this college are highly qualified, well experienced with good teaching skills and knowledge. Indeed, they are also very supporting and helpful. Beside this, there are well equipped laboratories which could be beneficial for future practical life of a student, a library for enlightening the knowledge. The enthusiastic student who is seeking for good dental college must come here and electrify his/her medical perception.

I want to thank all the teachers for enlightening, helping and supporting me in my every step till now. I personally feel delighted to be a small part of this institute. Proudly saying "I am RDCian."

Prajina Kafle
BDS, 15th Batch, Kathmandu, Nepal

Looking through the website & views of my seniors is what made me decide to choose Rangpur Dental College for further study. And I really feel proud to be part of RDC. This College is one of the well reputed and has been included in the top list of private dental college of Bangladesh.

RDC is excellent with conducive environment for creative & productive learning. A team of dedicated, experienced & friendly teacher makes us feel care in learning. Overall, I found RDC as one of the best college in Bangladesh.

Rabin Poudyal
BDS, 15th Batch, Taplejung, Nepal

I, Rabin Poudyal from Taplejung, Nepal is 2nd year student in Rangpur Dental College. Medical Profession is regarded as one of the most prestigious profession in our society. So, to achieve this status, one must choose a good institution. I was very confused during admission whether I have chosen the right institution for my higher education but with the one & half experience with such prestigious professors and lecturers made me feel that I had made right decision for selecting it to make my dream come true.
